Commissioner of Patents

The communication filed on 08/23/02 (paper no. 11) is non-responsive to the prior Office action because Applicants' 'Response to Restriction' does not include an election of one of the inventions set forth in the restriction requirement mailed 06/18/02 (paper no. 9). As clearly set forth in paragraph 5 of the restriction requirement mailed 06/18/02 (paper no. 9), 37 C.F.R 1.143 requires that Applicant submit a complete response to the restriction requirement by including an **election** of an invention to be examined "even though the requirement be traversed".

Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, Applicant is required to complete the response within a TIME LIMIT of ONE MONTH from the date of this letter or within the time remaining in the response period of the last Office action, whichever is longer. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 C.F.R 1.136(a) or (b), but the period for response set in the last Office action may be extended up to a maximum of SIX MONTHS.
